TDM designed this complex multi-functional, 16,800 SF, Child Development Center for East Los Angeles College. The building has six classrooms for 2 to 6 year old children, in addition to administration and reception areas and a full commercial kitchen. The project also included complete site utility work, site landscaping, and outdoor playground areas.

One of the site challenges was to protect the building and outdoor activity areas from the adjacent baseball field fly balls.

Client:
Los Angeles Community College District

Location:
Monterey Park, CA

Size:
16,800 SF

Cost:
\$3,400,000

Completed:
May 2000
